

Web Designer

Who we are:

ISX Financial EU Plc is an authorised Electronic Money Institution licensed by the Central Bank of Cyprus. The company provides payments, issuance of electronic money, IBAN addressable stored value accounts and KYC identity verification services to eCommerce merchants, regulated sector businesses and consumers.

ISX Financial EU Plc also operates a sophisticated & patented anti-money laundering and anti-fraud system that also provides transactional security to business and retail customers. It is real time and detects the AML issues currently in focus by regulators.

ISX Financial EU Plc is part of the ISX Financial Group of companies. Our inhouse developed platforms allow us to deliver technology and financial services to our customers. The Group employs more than 140 staff located across our offices located in Australia, Cyprus, Lithuania, United Kingdom, Netherlands, USA, Israel, Malta.

The role:

We are seeking a talented and experienced Web Designer to join our team. The ideal candidate will be responsible for designing and creating visually appealing and intuitive user interfaces for websites, web applications, and mobile applications. The Web Designer will work closely with the marketing and development team to ensure that the design is implemented correctly.

Responsibilities include (but are not limited to):

- Design visually appealing and intuitive user interfaces for websites, web applications, and mobile applications
- Collaborate with the development team to ensure that the design is implemented correctly
- Translate user insights and research findings into design goals and objectives
- Create wireframes, prototypes, and high-fidelity designs
- Develop design concepts, graphics, and layouts for web pages
- Ensure that designs are user-friendly, accessible, and responsive
- Create and maintain design guidelines and style guides
- Keep up-to-date with emerging design trends and technologies
- Provide deliverables on-time and on-spec
- Review and constructively feedback on work from designers across the team

Skills and Requirements:

- Bachelor's degree in graphic design, web design or a related field
- At least 3-5 years of experience in Web or UI design
- Proficiency in design tools such as Adobe Creative Suite, Figma or similar apps
- Knowledge of web design principles such as accessibility, usability, and responsive design
- Understanding of HTML and CSS
- Excellent communication and collaboration skills
- Ability to work in a fast-paced environment and manage multiple projects simultaneously
- Strong attention to detail and ability to produce high-quality work under tight deadlines.

The Package:

- Industry leading salary
- Private health insurance
- Equity/share-based scheme of company stock
